Body
ARCHITECT

Intelligent skincare system where biotechnology meets the magic of signature perfumery.

What is the secret of transformation?

Smart oils: Fermented Shiunko oil penetrates into the deeper layers of the skin, restoring it from within – not just on the surface.

Lipid shield: Skin-identical soy lipids instantly “repair” the protective barrier, bringing back firmness and density to the body. Soft-focus effect: Light-reflecting particles visually retouch the skin, making it appear perfectly smooth and radiant.

Luxurious fragrance: A deep perfumed composition envelops the body, turning skincare into a moment of pure pleasure.

Body Architect is the luxury your body deserves. Allow yourself to be flawless to your fingertips.
