ULTRA-MOISTURIZING SERUM

30 ml

Hyaluron 5 Ultra-hydrating serum. Five times* the concentration of 5 multifunctional forms of hyaluronic acid to intensively care for the skin, helping to slow down the ageing process, reduce wrinkles and provide long-lasting hydration for up to 72 h**. High molecular weight hyaluronic acid protects the epidermis from water loss and makes the skin feel pleasant to the touch. Medium molecular weight sodium hyaluronate hydrates the skin, effectively smooths and soothes irritation. Hydrolysed low molecular weight hyaluronic acid works in the deeper layers of the skin, reduces wrinkles and prevents the formation of new ones. Sodium Hyaluronate Crosspolymer, cross-linked hyaluronic acid, perfectly moisturises the skin and restores its firmness and elasticity. Hydrolysed glycosaminoglycans, hyaluronan-like polysaccharides, enhance the sensation of hydration, bringing soothing relief to dry skin. Product tested on sensitive skin.

*Compared to Day cream.

**Hydration boost lasts up to 72 hrs after leaving the cream on.

mihi TERMAL water

Thermal water is a line of creams designed primarily for the care of dehydrated and stressed skin. The main ingredient in the products in the range is thermal water from the French Eastern Pyrenees, which contains a rich blend of natural macro- and microelements. These are mainly silicon, magnesium and sulphur-containing compounds that restore the skin's water balance, strengthen, tone, impart elasticity and have a relaxing effect, alleviating symptoms of fatigue and stress.

Babassu oil, shea butter, lecithin, olive squalane and various forms of vitamin E nourish and regenerate the skin, protect against moisture loss and help slow down the ageing process. Hyaluronic acid and polysaccharides wonderfully moisturise and smooth.

The result: perfectly moisturised skin that feels as relaxed as after a spa experience. Effectively helps fight wrinkles, dryness, roughness and flakiness. The result is soft and smooth skin.

Hemp oil

HEMP OIL - anti-stress cosmetics based on cold-pressed cannabis oil. The main ingredient in HEMP OIL - cannabis oil - is made from cannabis seeds and does not contain illegal psychoactive ingredients (THC). It contains Omega-3, Omega-6 and Omega-9 fatty acids (PUFA), amino acids, phospholipids and phytosterols (rebuilding the epidermal barrier), antioxidants, vitamins A, C, D, E, B group vitamins (B1, B2, B3, B6) and many minerals. Hemp oil properties:

- stimulates cell regeneration and helps to slow down the ageing process,
- supports the protective barrier of epidermis,
- ensures intensive moisturising and limits moisture loss,
- soothes, heals damage and cracks, reduces inflammation and irritation,
- regulates sebum secretion
- used to prevent and correct stretch marks.

Hemp oil is considered a "dry oil" because it is instantly absorbed by the skin and leaves no oily film on it. Hemp oil is hypoallergenic and non-comedogenic - it can be used for all skin types, at any age, even by children. All products are suitable for treatment of those who suffer from atopic dermatitis, dry eczema and psoriasis.

DRY BODY OIL

HairHELP

Series against hair loss. Active strengthening and stimulation of hair growth. The use of highly concentrated burdock root extract (number 1 plant in fighting hair loss), wheat proteins and avocado oil of the highest quality from European manufacturers, has made it possible to create a series of products for strengthening and activating hair growth with very high effectiveness, yet based on natural active ingredients. The products do not contain artificial growth stimulators, silicones, mineral oils or paraben-type preservatives.

ANTI HAIR LOSS SHAMPOO

250 ml

The shampoo formula contains ingredients that effectively cleanse and optimally care for loss-prone hair. Burdock root extract provides essential nutrients and strengthens the hair. Wheat proteins nourish the strands and help fight their fragility. As a result, hair is clean, shiny and less prone to excessive hair loss.

Hyaluron *deep*

Hyaluron Deep - a deeply moisturising hair and scalp treatment based on two forms of hyaluronic acid with different molecular sizes in each product and aloe vera juice. A complex of fruit acids provides micropeeling, normalising the natural exfoliation process of keratinised cells.

The natural disaccharide, trehalose, additionally boosts the moisturising effect and also protects the hair from negative environmental influences.

HYDRATION FILL-UP HAIR SPRAY

150 ml

Extra hydration and protection of hair from high temperatures. A wealth of active ingredients for hair care. Hyaluronic acids of two molecule sizes intensively moisturize strands. Aloe leaf juice smoothes and firms hair. Vitamin B5 adds vitality and shine. Spray provides anti-static effect without weighing down the hair. Hair looks well-groomed and recovers its natural softness.

BLACK CASTOR

Black Castor - care series based on castor oil for damaged, weakened and fragile hair. Castor oil:

- restores the structure of hair
- strengthens hair and stimulates its growth
- smoothes, shines and thickens hair
- supports healing of the scalp, soothes itching, flaking and prevents the formation of dandruff

The effect of castor oil is perfectly complemented and enhanced by unique Inka-Inchi oil, which strengthens and rebuilds hair, stimulates its growth and is used even in case of severe hair loss. The complex of amino acids from wheat and soya + free amino acids moisturises the deeper layers of the hair and participates in the reconstruction of its structure.

REINFORCING MASK

150 ml

The mask recipe based on black castor oil, Inca Inchi oil and amino acids provides intensive care for damaged hair. Rebuilds and strengthens strands, making hair stronger, shinier and smooth as silk. Hair becomes easy to style after using the mask.
