Welcome to the new mihi catalogue!

We are constantly creating products for ourselves and each of you! We thank all our customers who have already tested our products and chosen their favourites! The best reward for us is your numerous opinions on the website and social media, which make us known to more and more people in 23 European countries! You are the ones who inspire us to create new and unique products!

Recently we launched with:

- 6 product categories,
- 15 product lines and an assortment of 74 products.

You are now looking at the catalogue which features:

- 8 product categories,
- 29 product series and 155 products!

Our plans are to continue to delight you with new unique formulas, trendy exclusive products! And most importantly, we want to help everyone of you become part of the ECO movement - minimising plastic consumption by using larger and therefore more economical packaging and all-purpose products, natural recipes and vegan formulas.

Not too much, not too little - exactly as much as you need!

ULTRA-MOISTURIZING SERUM

30 ml

Hyaluron 5 Ultra-hydrating serum. Five times* the concentration of 5 multifunctional forms of hyaluronic acid to intensively care for the skin, helping to slow down the ageing process, reduce wrinkles and provide long-lasting hydration for up to 72 h**. High molecular weight hyaluronic acid protects the epidermis from water loss and makes the skin feel pleasant to the touch. Medium molecular weight sodium hyaluronate hydrates the skin, effectively smooths and soothes irritation. Hydrolysed low molecular weight hyaluronic acid works in the deeper layers of the skin, reduces wrinkles and prevents the formation of new ones. Sodium Hyaluronate Crosspolymer, cross-linked hyaluronic acid, perfectly moisturises the skin and restores its firmness and elasticity. Hydrolysed glycosaminoglycans, hyaluronan-like polysaccharides, enhance the sensation of hydration, bringing soothing relief to dry skin. Product tested on sensitive skin.

*Compared to Day cream.

**Hydration boost lasts up to 72 hrs after leaving the cream on.

Hemp oil

Hemp Oil is an anti-stress cosmetic based on cold-pressed hemp oil. Hemp oil does not contain illegal psychoactive ingredients (TPA). It is rich in Omega-3, Omega-6 and Omega-9 fatty acids (PUFA), amino acids, phospholipids and phytosterols (restorative of the epidermal barrier), antioxidants, vitamins A, C, D, E, B1, B2, B3, B6 and a whole range of minerals.

Hemp oil is considered a "dry oil" because it is immediately absorbed by the skin and does not leave a greasy film on the skin. It is hypoallergenic and non-comedogenic – it can be used for all skin types, at any age, even by children. All products are suitable for the skin of people with atopic dermatitis, dry eczema and psoriasis.
